

KULMA RUG

KULMA RUG

Level of difficulty: Intermediate.

Design: Lankava, Molla Mills.

Size: 115x175 cm.

Yarn: Lankava Frotee Loopy Craft Yarn (80 % recycled cotton, 20 % polyester, 1,2 kg = approx. 280 m)
2,4 kg brown (cocoa 55),
1,5 kg light pink (chalk pink 89),
orange (burnt orange 58) 1,0 kg.

Lilli tube yarn (80 % recycled cotton, 20 % polyester,
1 kg = approx. 220 m)
1,6 kg natural white (2) and
1,5 kg terracotta (36).

Hook: 8 mm or as per gauge.

Gauge: 8 sc and 8 rows = 10 cm.

Intarsia crochet: Crochet single crochets in rows with five colors according to the instructions and chart. Read odd rows (= RS rows) from right to left and even rows (= WS rows) from left to right. Leave the yarns at the back of the work on odd rows and at the right on even rows, waiting for their turn. When changing colors, crochet the last yarn over of the preceding stitch with the new color. This keeps the color change stitch uniform. Note: Color changes create diagonal floats over one row for WS. When starting a new color, weave in the yarn end along with the stitches. When the pattern is complete, cut the yarn and weave in the end on the next row of stitches. This avoids a bulk of weaving in ends. Crochet each color area from its own ball of yarn.

Abbreviations:

RS = right side

WS = wrong side

s = stitch

ch = chain stitch

sc = single crochet (Am.)

yoh = yarn over hook

sl st = slip stitch

The instructions start
on the next page.

INSTRUCTIONS:

Wind the terracotta (TC) and natural white (NW) Lilli cord yarn and the orange (O) Frotee yarn into two equal-sized balls each. Wind the light pink (LP) Frotee yarn into three balls: two approx. 450 g and one approx. 300 g. From the brown (B) Frotee yarn, cut two pieces approx. 5 m long for the first pattern repeat. As the work progresses, wind additional yarn according to the pattern repeat. Always cut the yarn at the end of each color section.

Work 91 chain stitches in brown Frotee yarn. Leave an approx. 7 m tail for the slip stitch edging.

Row 1: (RS) Work 1 sc in the 2nd ch from hook, then 89 sc. Total: 90 sc.

Rows 2-6: Turn, ch 1, work 90 sc.

Row 7: Turn, ch 1 and 6 sc in B. On the last yoh, change to TC, leaving B waiting on the WS. Work 36 sc with TC. On the last yoh, change to B (use one of the 5 m pieces cut earlier), leave TC waiting on the WS. Work 6 sc with B. On the last yoh, change to TC (attach second TC ball), leave B waiting on the WS. Work 36 sc with TC. On the last yoh, change to B (use the second 5 m piece), leave TC waiting on the WS. Work 6 sc with B.

Rows 8-12: Turn, ch 1, follow the same color pattern. Always leave unused yarns waiting on the WS. At the end of Row 12, change to light pink (LP) using the 300 g ball. Cut and fasten off all brown and terracotta yarns.

Row 13: Turn, ch 1. Work 6 sc with LP. Change to NW, work 14 sc. Change to O, work 22 sc. Change to LP (attach 450 g ball), work 6 sc. Change to NW, work 14 sc. Change to O, work 22 sc. Change to LP (attach second 450 g ball), work 6 sc.

Rows 14-18: Turn, ch 1, follow the same color pattern. On Row 18 (RS), carry the LP yarn inside the stitches across the orange pattern sections. Cut and fasten off orange yarns.

Row 19: Turn, ch 1. Work 6 sc with LP. Change to NW, work 14 sc. Change to LP, work 28 sc. Change to NW, work 14 sc. Change to LP, work 28 sc.

Rows 20-24: Turn, ch 1, follow the same color pattern.

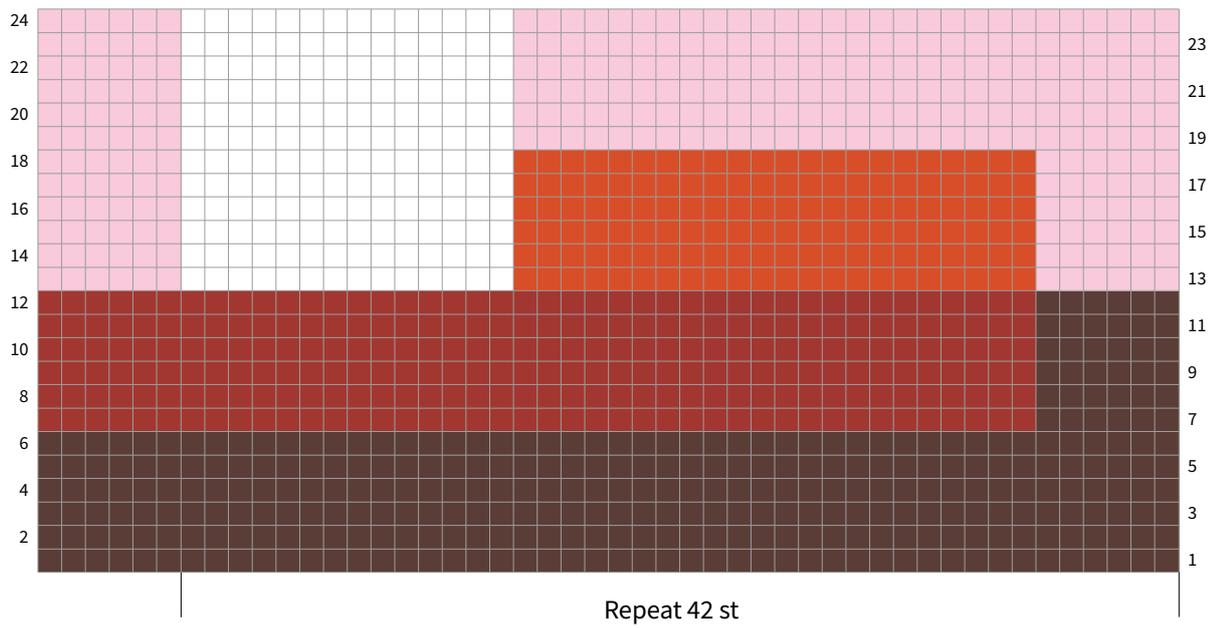

You have now completed one pattern repeat. Work four more identical repeats following Rows 1–24. From now on, Row 1 of each new repeat is worked into the single crochets of the previous row.

When you have completed five pattern repeats (120 rows total), work 6 rows of sc with brown yarn. Without cutting the yarn, crochet a slip stitch edging along the end of the work.

FINISHING:

Using the 7 m tail from the beginning, work a slip stitch edging along the starting edge. Steam block the finished piece.
