

POP WALL HANGER

US crochet terms used throughout.

Abbreviations: st(s) = stitch(es)

ch = chain

sl st = slip stitch

Design: Lankava, Molla Mills

Finished size: 90x115 cm

Yarn: Lilli Tube Yarn: 2 kg in Baby pink (29), 2 kg in Chocolate (5), 0.4 kg in Undyed (2), and 0.4 kg in Mustard (21) (80% recycled cotton, 20% polyester, 1 kg = approx. 220 m)

Hook: 7 mm (US K/L), or according to personal gauge

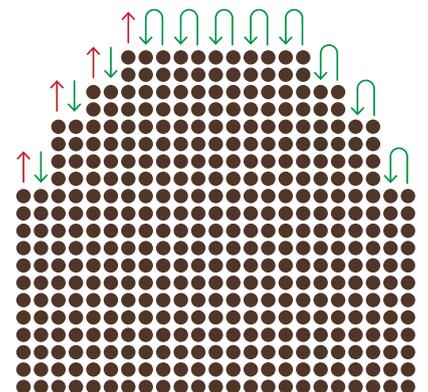

Other supplies: 1.3 m of White (01) Stafil plastic net (100% polypropylene, width: 100 cm), 2 m of Rug binding in Undyed (2) width: 70 mm, strong sewing thread (e.g. Coats Bear thread Nr. 30), textile glue, 100 cm wooden rod for the upper edge, and 90 cm aluminum rod for the bottom edge for extra weight.

Instructions: Wet and dry the tube yarn. First cut the more tightly woven edges of the plastic net away. Then cut a piece of 95x128 squares (includes hems: 4 squares/edge). Crochet with sl sts from the bottom upwards, one color area at a time. Start with Baby pink from the bottom right corner: take the hook through a square in the net and out from the square above, yarn over hook, pull the yarn through the st on hook = 1 sl st. Continue to work sl sts according to the chart and keep the yarn always on the right side of the work as you crochet. Let the yarn run freely and check that you use an even tension and the net stays flat. Crochet all the sts of one row in the same direction. Ch 1 for turning, and continue to crochet the next row in the opposite direction. Make as large area as possible without breaking the yarn. Make curved shapes according to chart 2, but don't turn into another row by making 1 ch. Instead, cut yarn and start work again from the new row. First crochet everything with the Baby pink, and then crochet the other colors one by one. Knot the ends tightly on the wrong side, and secure the ends with textile glue.

Finishing: At each edge, fold 4 squares onto the wrong side. Sew the hems with the Bear thread. Make rod pockets for the upper and bottom edge: Cut the piece of Rug binding in half, and sew the raw edges. Fold and steam a 5 cm hem to each end. Pin and sew the pieces of binding by hand on the wrong side of the work. Place the rods inside the pockets.
